No. 51.
For Record.

Deputy Commissioner's Office
Kadur District
Of Chikmagalur, 23rd Feby 1894.

From

The Deputy Commissioner
Kadur District

To

The Huzoor Secretary to the
Government of Mysore
Bangalore.

Sir,

I have the honour to state that the Amildar of the Kadur Taluk has reported that the image "Laxmi Nara-Simha Devaru" of Keray Caute in the said Taluk was removed from its position and mutilated by whom and when it has not been found out. The temple is endowed with the marginally noted Inam lands in the village of Keray Caute, and enjoys a monthly Paditara amount of Rs 0-13-7.

Owing to the mutilation of the image & the consequent discontinuance

of its worship, the monthly cash Kaadik (Paditar a amount) is being credited to the head "Surplus" from August 1892. The Vahivatdar has been called upon to credit the Surplus revenue of these Inam lands under the same head.

2 In Keray Lante there are only two Brahmin houses, those of Shanbogs Kirianappa & patel Shamanna, the former being the Vahivatdar of the temple. No worshipper can conveniently be found to live in the village permanently. This ruined temple is situated on the peak of a hillock close by the village There is no other suitable temple within the village precincts in which to reestablish a new image so as to prevent a repetition of similar desecration and mutilation.

To start worship it is necessary that a new image should be got made to replace the present mutilated one and the customary pratistha ceremony should be performed with the usual Santarpana (feeding Brahmins)

The

The vahivatdar Shanbhoge as well as the patel and others of the village, state that they are too poor to undertake to do all these themselves. They pray that Government may kindly get the needful done and have the image established in any other village having Brahmin residents to admit of regular worship being arranged for.

With a view to save the expense of constructing a new temple and to secure the necessary conveniences, they propose that the new image to be got made should be established in the Chennakeshava Swamy Temple at Ikaom in the newly constructed room lately added to the said temple. They promise that if their suggestion be carried out, they would either undertake to make the necessary Santarpana or pay down a sum of Rs 100/- towards the same. They request that the image to be thus established in the Ikaom Temple should continue to go by the name of "Keray Sante Laxmi Narsimha devaru" and state that they on their part would continue to make their offerings of Kanikays &c to the image, just as they

they were doing hitherto in their village
They propose that the cost of getting a
new image made should be met
from the sale proceeds of current
years crops of the Swami lands and
that arrangements should be made
for the image being worshipped by
the Archik of the Kadur Chenna
Keshava Devaru.—

The Dharmadarsees of the Chenna
Keshava Devaru temple at Kadur have
no objection to the prayer of the Villagers
of Kenay Lante being granted, seeing
that the status of the Kadur Temple
would thereby be raised and its
financial resources improved
The proposed new image which
will be comparatively small sized
can be placed in the new room
built for placing Oats and Grain.

They propose that the image
should be got made at Benares,
out of white marble, and that the
image should be a small one,
its height being 1 foot. The Amildar
states that he has received information
from Benares that the total cost of
the

the image would be within Rs 50/-. He proposes that the cost of procuring the new image as well as the cost of its Pratista Ceremony should be met from the sale proceeds of current year's crops of the Inam lands, the Santarpana expenses being met from the promised contribution from the villagers of Keray Sante.

As the proposals submitted by the Amildar are reasonable, I request you to be good enough to obtain Government sanction for establishing a new image as proposed and for the continuing of the Inam lands in Keray Sante to the proposed new temple of the aforementioned Laxminarasimha Swami in Khorn.

The Vernacular records are herewith submitted for reference by obliging return when no longer required.

Sir,

With reference to your docket No. 962 Munsif 85-93 dated 7th March/94, calling for information on certain points in connection with the establishing a new image of Lakshmi Narasimha Devaru of Kerayasante in the Bhimeshwara Swami

— temple

temple at Kadur, I have the honour to state that the amildar of Kadur reports in his No. 81/19.3.94 (1) that the surplus fund now at the credit of the temple is ~~Rs~~ 15-4-6. This is the savings effected by not disbursing the monthly allowance of Re 0-13-0 since August 1892 when the image was mutilated. (2) It was only in the year 1892 that the image was mutilated. All during that year the Inam lands lay waste, no revenue was derived during the year 1893-94, the lands were brought under cultivation. The sale proceeds of the wet crops amounted to ~~Rs~~ 47-13-0 and those of the dry crops were credited towards Jodi & Cess, payable as land Revenue. — (3) The room built

built for placing the Utsava Moorthy of the Chennakeshava Devarm is 5½ by 5½ feet. It is spacious enough to contain the new image of Laxmi Narsimha Swami of the Kempasante, which has been placed on a pedestal occupying small space, in addition to Utsavamurti.—

2. The Amildar further reports in his "Ittilla" above quoted that the total cost of the new image including trainage &c. amounted to ~~Rs~~ 56-8-0 and in anticipation of sanction he made part payment of ~~Rs~~ 47-13-0 obtained from the sale proceeds of the wet crops of 1893-94 of the Inam lands and solicits sanction to pay the balance viz ~~Rs~~ 8-11-0 out of the surplus fund at the credit of the temple.

3.— The white marble image of Laxmi Narsimha Swamy obtained from Benares was installed with all due ceremonies in last April in connection with the car festival of Keshava Devaru in Adavu under arrangements made by the Amildar & Dharmadarshis, in anticipation of sanction &c.

The Amildar's explanation for this step, contained in his report No. 114 of 17th June/94 is herewith submitted for reference.

4. I beg sanction of Government may kindly accorded to the transfer of the Inam land in Herayspatte, from the "Durga" of Laxmi Narsinhaswamy at Herayspatte to the "Durga" of Herayspatte Laxmi Varadima hadswami at Honor, and to the cost already incurred of ~~Rs~~ 47-13-0 in part payment of the value of new image out of the sale proceed of crops and to the payment of the balance due, viz ~~Rs~~ 8-11-0 and of the surplus fund of ~~Rs~~ 15-4-6 at the credit of the temple.
